

# Multi-Media Platform Overview

America Media leads the conversation about faith and culture. Founded and directed by the Jesuits, we bring 111 years of history that is empowering and inspiring by continuously producing content that says something different, offers a different opinion or perspective and showcases a voice that asks the unconsidered, better question. Our coverage spans the globe from church news, politics and social justice to education, health care, arts and culture. America Media stands out for our balance and depth of our reporting—digital, print, social, audio, video and events.
